PETITIONING THE COURT

To incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court on 12/20/2017, and 12/28/2017, and 1/5/2018

The probation officer believes that the offender has violated the following condition(s) of supervision:

Violation Number Nature of Noncompliance

8

Special Condition # 15: Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing (which may include urinalysis or sweat patch), as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On January 10, 2017, James Booth signed his conditions of supervision indicating he understood all conditions as ordered by the Court. Specifically, Mr. Booth was made aware by his U.S. probation officer that he must refrain from any unlawful use of a controlled substance.

Due to Mr. Booth's past drug use, he was directed to call the phase urine testing hotline at Pioneer Human Services (PHS) and to listen for the color "BROWN1." Mr. Booth was directed to report to PHS to supply a urine sample between the hours of 7 a.m. and 7 p.m. when he heard his color, "BROWN1." On December 27, 2017, the color "BROWN1" was called and Mr. Booth reported to PHS as directed.

Mr. Booth supplied a urine sample which tested presumptive positive for marijuana. Mr. Booth is in direct violation of his conditions by using marijuana.

He signed a drug use admission form stating he used marijuana but did not disclose a date of when he used. On December 27, 2017, this sample was sent to Alere Toxicology Laboratory for confirmation. It was confirmed positive for marijuana on January 9, 2018.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
